WASHROOM COLLECTION

Greenlam Industries Limited is a leading innovator and manufacturer of laminate solutions. With two manufacturing facilities with a combined output in excess of 44.56 million square meters per annum, Greenlam's broad range of products are widely specified and chosen in over 100 countries. The partnership with Timbmet ensures a significant investment in stock on the ground with industry leading service standards.

The Greenlam Washroom Collection brings in 10 new decors to complement its existing market leading range of 42 designs. The range features all decors across an effective range of sizes and formats to ensure a broad array of solutions are open to specifiers and designers, complemented by the Greenlam Washroom collection. Greenlam products lead the way in terms of durability and performance. All decors and formats are delivered with an effective Peel Coat Protection to meet the needs of fabricators and installers.

HPL (HIGH PRESSURE LAMINATES)

Texture: Suede

COMPACT (COMPACT LAMINATE)
